

NHGFOA Training Committee

A very active committee, this committee's chief function is to develop the program for the annual NHGFOA conference in May and to oversee all aspects of the conference. Additionally, the committee is responsible for identifying and providing other training opportunities to the membership throughout the year, such as:

- Assisting with the Quarterly Networking Meetings, as needed
- Providing a topic and speaker for the annual NHMA Budget and Finance Workshop (September)
- Hosting the November GAAP Update
- Providing topics and speakers for three sessions at the NHMA Annual Conference (November)
- Fostering relationships with other related organizations (NHASBO, NH CPA Association, etc.)
